Diadomingo awor, Lago lo presenta e episodio "Fighting with Fear" den e programa "The 21st Century" na Tele-Aruba. E pelicula ta cuminsa pa 9 p.m.

SOPPI PURA TA SALI SALU

Cuanto accidente no ta ser causá pa motibo cu un persona tin mucho purá? No tin ningun statistiek pa comproba esey. Ningun hende sabi sigur. Corda bon cu al fin al cabo si bo pura di mas esey por costa bo mas tempo di loque bo ta kere!

A. HOEN, E. GEERMAN OBSERVE SERVICE ANNIVERSARIES

Alwin L. Hoen, Technical - Lab. Inspection Section, is celebrating his 30th service anniversary with the company today. Sunday, Emeterio Geerman, Mechanical - Materials, will complete 25 years of Lago service.

Congratulations!

J. CROES, E. F. NICOLAAS PROMOTED

Effective January 1, Julio Croes became an engineering technician in Mechanical - Equipment Inspection Section. On that same date, E. F. Nicolaas of Process - Terminal Division, was promoted to shift supervisor - Marine Agency. With their promotion, Mr. Croes and Mr. Nicolaas have attained management status.

Congratulations!

TECHNICAL - PROCESS ENGINEERING RE-ORGANIZED INTO FOUR SECTIONS

Effective January 15, the Process Engineering Division in the Technical Department will be re-organized into four sections: Alkylation, Cat Cracking, Crude Distillation, and HDS. The HDS Section assigned to the HDS Start-up Task Force will continue to function as they have in the past. The Alkylation Section will cover isomerization, virgin naphtha fractionation, acid manufacture, utilities in addition to alkylation. The Cat Cracking Section will also be responsible for cat light ends recovery, gas scrubbing and compression, analyzer applications and oil movements. The Crude Distillation Section will also cover visbreaking, treating, Edeleanu extraction, the existing vacuum pipestill and naphthenic acid recovery.

"FIGHTING WITH FEAR" PRESENTED BY LAGO ON TV SUNDAY

This Sunday, Lago will present the episode "Fighting with Fear" in the "21st Century" program on Tele-Aruba. The film begins at 9 p.m.

HASTE MAKES WASTE

How many accidents are caused by somebody in too big a hurry? There are no statistics available. Nobody knows for sure. Remember that in the long run rushing may cost more time than it saves!
